1898

Mr. W. H. Clark

12 p 10 m 29

Little Lagoon 10.

I caught & take also carefully in
the lagoon - the commonest of the
insects - Long Vesp. - pond - several
offering -

Little Lake -
first to bring out - leaves under
in pile up together - had -

Story told very graphically - did
not supply detail on the of the
insects -
can - not explained

& released - also not expected
first to have practice
first to release also with practice state
from clearing a story - maybe here

Worm - some of it -
also a little bit of it - killing of the
I did have shown also that food must
like us to have - how we live -

Lesson on the life -
The very young of the old -
shown the children - will be glad
to see the old - the old

very much
interesting

A. J. J. J. J.

Nov. 22 - Sun. Young - Ch. III

His voice was very good
and to introduce him in quietness.

Comp. for
Ch. III, interested.

found to work out. King of the forest -

very f. to say "pretty" -

very pretty birded birds

much better than - with it? Ch. III

might have said that

Diagram found - capital was made of

B. G. -

for Ch. III - early - Ch. III - was not the

Edgy - Ch. III - very extremely well

the small brought out - perhaps may

then Ch. III -

He - Ch. III - have felt more

work from the Ch. III - asked Ch. III

I did not want to work out to

him. found to all. Ch. III between

has slight - but -

Good to Ch. III - found to be a very

in relation to Ch. III -

find it same but - makes - interesting
 find to be presented in form - and
 gold - in your hands -
 W. of bank - old - looking - presented
 Spent arrangement & beautifully illustrated
 by others - consisted in 10 - change 2
 the 2nd about beautifully drawn -
 find to draw very good -
 "much shorter - with 10 -
 did not say much more speak
 up - find to supply lessons to students -
 recap and very good -
 Mr. Searston - the voice -
 manner & presentation very good -
 for 12th & 13th grade -
As very good lesson -

12P9CH17
Mrs. Smith - The Queen - Jan 19

Ch. 1a -

I expected too much of Mrs. J.
never got into debt - Mrs.
not a bit interested in the ? of debt
as a lawyer - just did not
interest Mrs.

"Queen's Mother - not interestingly dead

with -

Story of lawyer nicely told - a
fact deal with money -

Some of the things you know -

Don't expect you'll like it - &c -

"Will be good" - all the time -

Mrs. J. - rather respected the Queen

Mrs. J. does not - much like to stay

the last note just very much in touch

with the subject.

This is a very bright & appropriate

"history lesson" - might have been a good

but she did not quite take in Mrs. J. - but
not enough small points to

Monday did not rise to the holiday -
A fairly good lesson -

12 P 50 107

From Monday - Study of
Animal Life - Ch. IV.
Vis - of - the - human - life -
Mr. Mason - gave a little
Scattered - variety of life only
too slightly touched on
Harmonies of life - hardly touched on -
They were to - examine
books frequently called - that
Reading bright - interesting
a long journey read - and
questions upon it - two
explanations of drifts -
common to both - and - deposits
" 4 miles of gravel - and - common
first to find reversed heights of
Himalaya - Savants of the -

"under the sun" - 12751407

hard a thought -

V. good diagram - interesting facts

Mathematics able to solve things

"dying organisms" - had been asked

we were all sorry to leave challenges

+ deep sea -

river up "structured well" - change

from sea - but not made clear

- then of course, the fish etc -

evaporation in and then

fresh water is - with the

"fish and transpiration" -

"lost swimming young" -

"sedimentary young" -

to both back language -

acq water -

in language - is not speaking quite

in lower part of the system -

"primary source" -

"primary source" -

"primary source" -

a well chosen bit of poetry -
but that has been done better
already -

Yes recap - found - & general
Faulty reason - too wide a

range - & unnecessary to press -
"wealth among life" mentions of
life there are - mentions never fine
counters - the amount of stars
Species not - words clear -
- beside the -

For the - part of what is
Lamprey very defective

A fairly good reason -
found to end with a
poetic idea - a portrait of Moore
also found to put it in - & put
poetic in deep sea

12p80HCT
Main Page - Bank - Drawing

Ch. III

What is the idea - how much - the idea
and - the amount of the work
Drawing into very fine
part of supply with the old well
larger than - drawing large
Cupped then - from the line of the
but being an adjacent of the
All about the - the
the might have told position of the
the and it all assigned with the
on the - being in drawing to the
in painting - in the
the and - quite clear as to color and
ed have in mind many things
was 500,000 - good to put the 500,000
that for the year -
from allowed it to be - to the
Reading - many deaths - never seen a
uniquely to the idea is -
and the - the
and the - for the

brown being a group
 found to be full of the same of
 color - found again the same
 after correction - but made to stand
 previous as a right thought
 all about to disappear the last -
 parts of color as - not deep
 enough - all the same with green
 much - but not have been there
 as it is for the day -
 clear - part of - part - to show
 the same much - found did
 a good deal of the same -
 A very few leaves - but only

Quinn House - Ch. 14 - Lake

looked out - 1st center very well
 wall - - 1st built house in center
 fragmentary way - 1st side of house
 length - 1st part of house
 house - 1st side of house
 house - 1st side of house
 house - 1st side of house

Myself have had exp. use of exp. in
house - Photo for private
friends to be
had - exp. work upon case but only
in 1st instance

Writing on 1st exceptionally good
A minute to each exp. before continuing
first to get print - parts of case at
port to say that shall still need
myself have asked that would
be good

2nd instance written out before
exp. work also given upon it
interesting point - photo allowed to
be shown

3rd instance -
4th instance - used my article -
Conclusions on did not
good to be made to give parts of 1st
on also to read of it - stop at

Did not tell 1st - 2nd included subject

into one of preparation - then only
 to that which is heard -
 into my mind. At the same time
 the whole of the - my mind

which is the
 both of them but from the fact - fact
 allowed to be in the same manner -
 the same the subject through God

is not in without any hesitation

in the fact that the whole is well

but the same is not the same

has practice - Why practice - God

A first lesson -

Blindness for

Jim R. D. - Ch. 1.

12 p 12047

Not: But - to the party, etc.

Very bad - prob. 1 hour on B.D.

At. on B.D. part - a great help to
the lab. "to say"

"great splash" - very much more perfect
when he was made for - present - and
one has been seen a part -

- all the colours of the rainbow - but

prob. would not have known about

"rainbow" - "great of pleasure" - Ch. 1

quite excited - "lovely views" -

that have had cold - part of

dragon fly - lesson two that

only compared 3 minutes - Ch. 1

prepared for more - This preparation

of day fly reproduced by Ch. 1

Curious to see - but not Ch. 1, or pastured

U. and some - ground - and the same

mind - a few leaves - not to be taken

brightly green - but leaves as to be taken

13714 MC7
Harris Clerk - C. H.

Paper Drying - Paper sample -

W. began pleasantly -

Said to have got her own degree -
wrong - W. did not. She did by

Careful steps - Ch. of course
pretty interested - found her own

habits of measuring.

Ch. did not understand from her
to her 2

W. Ch. understood the

measuring very easily - allowing

the ch. to work without too much
help -

Talked of measuring from her

Spencer's instead of using

degree but didn't - took us

of water - pointed to her

yellow explanation

W. stood for a while with her papers

but the old [unclear] and
 have been used -
 how long does it weigh -
 the [unclear] line - but
 was prepared -
 V. [unclear] - first to let
 Mr. help to work out the [unclear]
 a capital [unclear] in [unclear]
 V. might have said a word about
 [unclear] [unclear] [unclear] [unclear]
 but? with - with a firm [unclear]
 want it - [unclear] [unclear]
 Mr. - attended to [unclear]
 [unclear] -
 food to [unclear] [unclear] [unclear]
 with dotted lines - Mr. [unclear]
 [unclear] [unclear] [unclear] [unclear]
 V. might have [unclear] [unclear]
 [unclear] [unclear]
 food [unclear] [unclear]
 [unclear] [unclear] [unclear]
 [unclear] [unclear] [unclear] [unclear]
 [unclear] [unclear] [unclear] [unclear]

His Clerk helped L. to connect
 V-F to receipt by getting the
 duplicate from the
 bank to receipt check of duplicate
 readily - if such procedure had
 been undertaken on the money
 miss Feb.

Lesson Lesson -

Our Young : Ch. 11

Opened correctly with a very
brief description of getting ready
for Church : very brief - arrests
attention - required Ch. to
repeat desc. in English.

Sketch - very good -

great mistake in text -

very careful to retrieve mistake

very much - left to say

of Ch. 11.

Very good to alter emphasis

is very good brief lesson -

Actions just - sufficient

Did not divide with in text

Sentence -

Also gave great proof of

how deep it is to retrieve

mistake

Good to include in text - not

f. Conrad -

12p18cm7

fringe - set up - day -

good to alter time -

mentioned time at the point

point to make fringe quick

up

good to take pains with previous work

old house for from char to state

location of camp

char really worked

allowed that to say meaning that

before they knew it

fringe said it -

it mentioned a - fresh water

to be put in

it very good thing

good to go back over had places

good to see "Dunell" & the arrangement

very good

what - - very good to say what should

George stuck to it

A very good spelling lesson.

indeed - child acquired real power.

Might have said let's say the boy

let
 good to have this as a challenge
 from Chs - good to find them.

of it -

much - might have

referred to it -

learn a good lesson in court.

"My another word had = left

to pressing -

A very good presentation
 lesson -

Fault - a little tendency to

freedom - some what unstable -

learn a word for - by 1000.

Main Body -

Boards of layout etc -
 The layout is very good & well -
 made just as they come to us -
 The paper is little interesting information
 re layout etc

The few no general instructions
 No general rules to be painting
 in one stroke - now is getting well
 gradually the lines - looking it -
 The lines are not quite bright enough
 Else allowed to say "Minors" -

Min. Monday

12 p.m. - 1 m. 15

Introduction to Lecture - the
Lect. interesting - for I was
to hear in lecture.

'Ossons' - + 'experiment' - not
very easily explained -
experiments - 'red' is not washing
blood - not a - washing, not red -
no examples of red - no helps
to U.S. to know what 'red' is -
"forming point not made quite
clear -

Good to find diagram when it was
wanted - good to show how flat
I did have had more time to show -
showed examples but did not say
what bones they were -

good use made of N.P. in rapid
illustrations - good power as if
able to say something - but - thought
nothing to say - Good to be able to
explain matters simply.

It did not explain why hot-air
is lighter - for I to show that by
air breathed out - warmer -
"It can be shown" - strong of fishes
which introduced - but might have
been explained to birds.

"It might give power to the birds" - that
"very nice structure" - described "just the
bone" - structure of plane and sound

well made -
for I to show how bones of hand should fit
together - but to be that - to be that
It was formed of several bones.

V. g. to show entire compound of bones -

"Bones of hand, of bones - 2
dark colour,

not very accessible in a lesson already
too long -

the case - good -

bones made into long -

fragile bones of hand - and the good

the first lesson but - some other
things to be

Life of St. John -

He has been with me many
times that is certain.

"Many a time on 14th & 15th."

Enthusiasm was a marked feature - his
father - much of his life - artistically told
"felt to be a degradation" - might have

Said another -

from his book -

Story of early life & struggles told
brightly & graphically & sympathetically -
"very charming" much enjoyed -

"We have several stories" little

humorous touches much given -

"Love him to be engaged to let the book
for himself -

The humorous side of J. very much
brightly taken up -

first of his knowledge of his father -
notable people who had been to him -

Love him - story of his life -
"Love him" - story of his life -
exciting, well told -

Chambers letters - very charming
described

What do you think his disposition
was - V. did not show enough
enough to fault of his character
was - something quite worthless
followed the view of Wakefield -
V. did not show how pleasant
the book was - so that a trifling
and permanent compensation
A good passage to read
to the public -

might have asked for a letter
V. did not print out the
essentials of following this life

Nothing said of his business
fields have included of his business
of the public - no attempt to show
a good reason for the success of
a lecture - but in the public with little
or nothing to do with it except

Mr. Flowers -

12p25CHC7

Ch 1. Clothing for the Indians Ch. -

7. not interested subject very pretty

Ch. 1. heavily interested -

Not from Ch. 1 very much how it is
not birds in flight -

remember that one coat - in there - not

content what was meant -

Ch. 1 not have expected Ch. 1 to know this

book was - book -

Did not find much to clear, that book
+ book is identical - Ch. 1 did not do

all understood diagrams of new books

found to show they birds were kept in

Ch. 1 had been unpacked to keep hand

found to find the idea of protecting seeds -

"So it is with little seeds - not told how to

is - - - my M. have told 'Apricot' -

quite done I was it is mean -

not yet found to take to the rest - information

to look of Ch. 1 - did not about them -

about - - - - -

Mr. Hartley - friend

12P2604C7 2

1 Made an error - spoke in

front clear voice -

girls absolutely knew nothing about and
even knew details -

front to couple, out, down.

Was waiting very hard.

V. gave a very good piece of advice

2 down, of conversation and - success

lapp - girls did not know what
it was and rubbed out -

V. took up - front position with her
clear front to ask - which is to -

Girls unclear to form making guesses
at all -

girls were in confusion very much

So the down for me - did not say

planned - did not - that point before

did not know what it was, plan

did not know - so old work,

A very interesting day -
we call on -

Solter - was to - had to
girls did not know their
names - so they will be at once
upon them -

V. however had no will
out his lesson to get any
work from the girls - Shetler did
not show the working out of
his lesson -

V. made herself a very
good - can not tell -
found & found out all the
names -

because of voice - words

1. poor -
V. pronunciation fairly good -
did not show points by point
but I think teaching -

157
Auf die Säure - det. n. d. K. 121580417
the wanted

from your friend
A. G. L.

Reveries - King Lear

V. told of preparation for great
game - across stages - many
comparing - found to find
to picture - your field -
of told story - very well
"I don't know" - V. might
easily have got -
V. succeeded at last in
making Jore's interpretation -
"He sat down" told with great
humour - - have you ever
seen preposterous - enough have
letted of funny - further -
Jore allowed to whisper
Jore really started -
"Butter Antlers" brightly said -
"I will be free to meet him I
want to tell you - something of
the same - Jore just showed
to great interest - equal to say

12P3004C7

You that have found
 One day, full, covered, away

The story =

Youngster have for a little while
 adding to the little world
 might be a good name of the story

As very good lesson -

Answering his purpose of
 cultivating a reputation -

John Brown - Ch. III

12th Dec

Int. St. of Lafayette

to be seen well by the river - the
on land - very close to the river
shore - last letter -

"^{or} butterfly = tiger or cat
found to know water level - very of
examined water level -
should have protected yd. killing
graffy.

What did you see on the road? good
explanation.

Went to see Lake Ontario in
good light - saw a few
painted paper & blue paper (or)

Very clearly visible - got a
lot of wood & water - it is not

Went - saw a few, saw a willow
thicket, water level

Will - butterfly - you can see it all
time in the

Went to see the water level - saw a lot of
water level - saw a lot of

foot to bridge - down 5' to
 capture there -
 right - south -
 down in bed - then to
 foot part of
 bridge every morning -
 about 10' to 15' -
 very much -
 foot to head to foot -
 of head of 1/2 ft

Very good -
 all the -
 head -
 to - like -
 different

John Clarke - 42 yrs. 10 yrs. present

Camera - 1/2" - by an old lady
very old - present to her

very good - makes an able
open & short the
very good to show to an old
person with a good
note is well described

to tell her the last time she
cleaned

very good night has been
to the bottom

very clear in shape of
moulded -

having a sign of a large
mould - to the bottom

very good with a good
but not quite a good

quite heavily -

very good -

butcher - will discuss - ~~will~~
 arranged 3 yds

biting on B.B. head

foot to upper & lower edge of body
 James 1. about -

idea out

worked out the thought in

Marchetti's room -

Marchetti's proposal for only made

first proposal

for the rest of Marchetti's share

of Schumpeter's book -

and with present state was used

at all -

Child's case - variations for his book

showing the growth with thought and

the book to make him - and to -

not at all - by Marchetti

now - Marchetti for capital & labor

and

the thought with the present state
